Sunday, September 13th, 2020, 5:00pm to 7:00 pm
Virtual Gala via Zoom

Mount Vernon at Home is holding its annual gala online, offering a unique experience you won't want to miss! This year's Gala is titled "Celebrate! Into a New Decade!" and will be held September 13th, 2020 on Grandparents Day. The event will feature a gourmet 3-course dinner delivered to your home with wine, swag bags, a virtual auction, and more!*

Senior Villages are more important than ever as families take a critical look at aging in place as the safest and securest place for our seniors to live and thrive. Mount Vernon at Home, established in 2007, is a grassroots organization committed to helping retirement age neighbors live engaged lifestyles and provide support as needed. We do this by connecting our members to exciting programs, events and to critical resources needed to maintain and support vibrant lives as we age.

We have adapted our services during the pandemic, pivoting our programs and services to respond to the crisis, doubling down on member check ins, and promoting our Village as a safe, secure, and important resource for our community.

Now more than ever, the care of our seniors in our community is of vital importance. Communities like ours have come together to support each other in extraordinary ways during the pandemic and we will continue to adapt and support as we move forward during these uncertain times.

Your evening will begin with a catered dinner and wine delivered to your door, prepared by **Cedar Knoll Restaurant** known for its farm-fresh foods and delicious crab cakes. You'll hear from our members, our volunteers and some surprise guests. The evening will cap off with a select variety of enticing auction items. Door prize giveaways too!

Take a positive step for our community. Enjoy a lovely evening "in" with a catered, dinner, live auction and lots of fun!
